Thank you for your interest in doing business with Greystar!

As a National Company, Greystar requires that all of our vendors enroll with Compliance Depot prior to doing business with our communities. Greystar uses Compliance Depot’s vendor accountability system to ensure our vendors abide by our organization’s reputable business practices and ethical standards before beginning a working relationship with your business. By using Compliance Depot, Greystar is ensuring that our clients, communities, and vendors have an overall better experience by minimizing unwanted risk.

This packet will provide you with all the information you will need to become an approved vendor. When you become a Greystar Compliant Vendor you have been approved to solicit your services to all properties owned and/or managed by Greystar Real Estate Partners across the country.

Below are the steps you’ll need to take to begin the enrollment process:

1. **Call Compliance Depot at 888-493-6938.** You will be asked for company information and an annual enrollment fee.

   **Note:** Your business will be categorized as an on-site or an off-site vendor based on whether your business category typically visits the property or not. On-site vendors are required to provide proof of insurance. Off-site vendors are not required to provide proof of insurance, but must still enroll and complete other requirements. The enrollment fee is also reduced for off-site vendors.

2. **Fax or e-mail documents** per the included checklist to Compliance Depot at 877-665-8910 or documents@ComplianceDepot.com.

   **Note:** Do not send documents to Greystar corporate or site offices.

3. Once enrollment is complete, you may check your status via the Compliance Depot website at www.ComplianceDepot.com using the user name and password that you have been provided by Compliance Depot.

4. **Begin work** for Greystar.

   **Additional Notes:**
   - Until all requirements are met, the property staff may not hire you as a vendor.
   - Beginning work before becoming an approved vendor may result in delayed payment.
   - Approval as a Greystar vendor does not guarantee being hired for work, or that you’ll be added to Greystar’s preferred vendors list. You should contact our on-site property staff to be hired as a vendor. **Approved vendors** may request a list of currently managed Greystar properties from vendors@greystar.com.
   - Please note that it is your responsibility to keep your documents updated with Compliance Depot and renew your enrollment each year.

   **Questions?**
   - Refer to the FAQ’s section on page 5 of this packet.
   - Contact Compliance Depot’s Customer Service Department at 888-493-6938 for general compliance and insurance questions. You may also submit your question via e-mail to customerservice@complianceDepot.com.

Annual renewal with Compliance Depot is a requirement of continuing as a Greystar approved vendor.

Background Screening of Workers. Vendor agrees to exercise due diligence in not placing any employees, laborers, or subcontractors to perform work within property boundaries and inside dwelling units who may have a history of criminal convictions or deferred-adjudication or pose a potential threat or risk of injury to residents and others. Unacceptable criminal history might include, but is not limited to, such crimes as rape, molestation, sexual assault, indecent exposure, indecency with a child, murder or kidnapping. Below are the answers to some of the most frequently-asked questions by Greystar vendors. If the answer to your question is not located below, please refer to the contact information listed below the enrollment instructions at the bottom of page one in this packet.

Q: Why do I have to pay an enrollment fee to Compliance Depot?
A: The Compliance Depot enrollment fee covers the processing & handling of your documents, the storage of your documents, and the notification service for when a document is about to expire. The fee is reduced for off-site vendors since no insurance documents are required.

Q: I am an off-site vendor. Why do I need to enroll with Compliance Depot?
A: Compliance Depot will review each vendor’s category and designate them as an “off-site” vendor as appropriate. Off-site vendors are not required to provide insurance information or certificates; however, you will still be required to sign the Greystar Vendor Services Agreement, provide a W-9, and your licensing information (if applicable). Requiring this information limits liability for Greystar and our clients. Also, since many Greystar clients require vendor compliance with the Patriot Act, Compliance Depot performs the screenings involved with this process for our off-site vendors. The annual fee is reduced for off-site vendors because Compliance Depot will not need to track your insurance documents.

Q: I am a Locator. Why do I need to enroll with Compliance Depot?
A: In nearly every state, someone who is paid to find real estate (for lease or sale) for another party is required to have a real estate license. To be sure that our communities are using licensed real estate salespeople, through their licensed brokers, and not individuals who are just making referrals; we count on Compliance Depot to maintain this information. As a Locator, you will be required to sign the Greystar Vendor Services Agreement, provide a W-9, and your licensing information. Requiring this information limits liability for Greystar and our clients. Also, since many Greystar clients require vendor compliance with the Patriot Act, Compliance Depot performs the screenings involved with this process for our Locator vendors. The annual fee is reduced because Compliance Depot will not need to track your insurance documents.

Q: I have already enrolled with Compliance Depot and am an approved vendor for a different client. Why do I need to enroll for Greystar as well?
A: Since each company has different requirements, you will need to complete the enrollment process for Greystar to ensure that your company meets our specific requirements. Remember, when you become a Greystar Compliant Vendor you have been approved to solicit your services to all properties owned and/or managed by Greystar Real Estate Partners across the country. Once approved, you may request a list of currently managed Greystar properties from vendors@greystar.com.

Q: I was “Approved” but now I am “Incomplete”. Why?
A: This may have occurred for any one of the following reasons:
- Your insurance policy may have expired.
- An audit of your account by the Compliance Depot Quality Assurance Department or Greystar may have reflected an item that needs additional clarification.
- A subsequent document may have been submitted by your insurance agent that overrides the previous document.
FAQ’s (continued)

Q: I was “Approved” but now I am “AcctLocked”. Why?  
A: This occurs when your Compliance Depot account has not been renewed at its yearly expiration date. Please log-in to your account at www.ComplianceDepot.com, or call Compliance Depot at 888-493-6938, to pay your annual enrollment fee. You may also need to submit updated documents; your account home page will provide you with a list of any documents that require updating.

Q: How long does it take Compliance Depot to process documents?  
A: It usually takes 24 to 48 hours for documents to be processed once they have been received by Compliance Depot. Please note that this process re-starts each time a new document is submitted for review.

Q: How can I assist in getting my company “Approved”?  
A: Share the sample insurance certificate with your insurance agent so that they may see what is required. This will assist your agent in preparing the certificate correctly the first time. Review each of the requirements online or discuss them with a Compliance Depot customer service representative. In addition to your insurance certificate, other documents are required, such as the Vendor Services Agreement, W-9, and professional license. Completing these documents and returning them promptly will prevent delays. You can return documents via fax to 877-665-8910 or via e-mail to documents@compliancedepot.com. Please make sure the name of your company is clearly identified on all documents that are submitted. There are many companies that have similar names so including your 6 digit Compliance Depot ID number on your documents will also assist in preventing delays. Your 6 digit Compliance Depot ID number will be included on all correspondence that you receive from Compliance Depot. It will be located directly beneath your company name in the address portion of the correspondence.

Q: I have submitted all of my documents but I am still not approved.  
A: Confirm that you have submitted your annual enrollment fee to Compliance Depot. Their system will not release documents for processing if the fee has not been received. Confirm that you have a fax receipt indicating your fax was successful. You may also e-mail documents to documents@compliancedepot.com. Confirm that there were no errors on your documents by reviewing your sample documents on the Compliance Depot website. The website address is www.compliancedepot.com. Your account home page will provide you with a list of any missing information or documents that require corrections. Confirm that your insurance limits meet those limits required by Greystar. The requirements are outlined on the sample insurance certificate in this packet and are also provided to on the Compliance Depot website. The Compliance Depot Customer Service representatives will also be able to provide that information if necessary.

Q: What does it mean when my “verbiage” is incorrect?  
A: It is required that Greystar Real Estate Partners, LLC and the ownership entities of their owned or managed properties, be added to your insurance policy as an additional insured by means of a General Liability Additional Insured Endorsement. The endorsement, which is an additional insurance form that shows proof that your agent added Greystar to your policy, must be attached to your policy and reflect the correct language. If your policy contains no additional insured endorsement, the correct language/verbiage is not added to the endorsement, is missing some of the wording, or contains typographical errors, then Compliance Depot is not permitted to accept it. A correction will need to be made by your agent in order to meet the requirements Greystar has requested. Please note that these requirements have changed within the past year. Greystar now requires that an additional insured endorsement be added to your policy, instead of the additional insured language solely being reflected in the Description of Operations section of your certificate. This may not have been the requirement when your insurance certificate was last issued. If your renewal was recent and your insurance agent did not include an endorsement with the correct language, they will need to re-submit the correct documents.
